**The Immortal Dead**

In celebration of Shakespeare's anniversary and in recognition of the bard's genius, **The Immortal Dead** is a modern Shakespeare-based musical. The play is a comedy that presents the female heroines of Shakespeare's most famous tragedies in heaven, where they discuss their respective deaths in song.

Embracing the spirit of modern music, from pop to tango to rock, the musical is based on well known songs by famous artists such as Mariah Carey, Celine Dion, Michael Bublé, Paul Anka and others. The lyrics have been altered to suit the plot of the musical.
