

At 6 o'clock November 3, 1955 I left for El Paso with Billy Joe Thompson, his dad, and two aunts. Upon arrival we went to Tri-State where we met Mel Work who started on the mound that afternoon. Later after shopping we were on the bus headed for Ludley field.

At the game we saw such stars as Willie Mays, Ernie Banks, and others. Between innings I got the autographs of Larry Doby and Monte Irvin. After the game it was Joe Black, Don Newscombe, Ernie Banks, Willie Mays, and Connie (ON HANK AARDON'S BASEBALL CARD).

P.S. My parakeet, Larry ate Willie Mays.
