

Speaking of Shakespeare

AT LA FONDA ON THE PLAZA

On Thursday evening, **March 29**, as part of its spring 2018 *Food for Thought* series, the **SANTA FE BOTANICAL GARDEN** hosted a festive evening in **La Fonda's** beautiful *Terraza*. Executive director **Clayton Bass** presided over a gathering at which **SHAKESPEARE GUILD** president **John Andrews** conversed with artistic director **Rachel Kelly** of **SHAKESPEARE IN SANTA FE**, and with **Dylan Norman**, **Ann Roylance**, and **Hania Stocker**, three of the gifted performers who'll soon be charming audiences in *A Midsummer Night's Dream*. We're grateful to photographer **Lynn Roylance** for commemorating the occasion with his visual artistry.
